POESIA DOMESTICA

“Cerco sempre di promuovere l'imperfezione, anche nello sviluppo del prodotto industriale, che ha regole e processi ben definiti. I risultati sono sempre sorprendenti.”

“I always strive to promote imperfection, even when developing industrial products which have clearly defined rules and processes. The results are always surprising.”

Paola Navone

house

PAOLA NAVONE OTTO STUDIO FOR ABK

Il design è poesia applicata allo spazio, interpretazione artistica della materia, e non è un caso se i designer italiani sono ammirati nel mondo. Tra questi, Paola Navone, designer, architetto e art director milanese, si distingue per la personalità eclettica e lo spirito libero, aperto a diverse culture. Dalla collaborazione tra ABK e Paola Navone OTTO Studio, nasce POETRY HOUSE, un progetto che esplora esperienze creative, materiali, segni grafici ispirati alle sue opere più iconiche e rappresentative. E' la scrittura di una vera e propria poetica dell'abitare, che condensa il vissuto artistico della designer e la sua storia, portandoli negli ambienti architettonici.

POETRY HOUSE intende sottolineare il valore di un percorso progettuale che conferma la presenza di ABK nel mondo del design.

Design is poetry applied to space, an artistic interpretation of matter, and it is no coincidence that Italian designers are admired all over the world. One of these is Paola Navone, a Milanese designer, architect and art director renowned for her eclectic personality, free spirit and interest in different cultures. A collaboration between ABK and Paola Navone OTTO Studio has resulted in POETRY HOUSE, a project that explores creative experiences, materials and graphic designs inspired by her most iconic and representative works. It is an authentic poetry of living, a distillation of the personal history and artistic experience that the designer brings to architectural spaces

POETRY HOUSE is the first step in a collaboration that will see ABK strengthen its presence in the world of design.

archiproducts®
AWARDS
WINNER

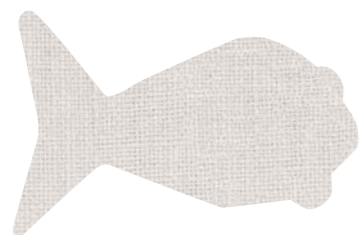

ABK, con POETRY NET, ha vinto l'Archiproducts Design Awards 2025 nella categoria Finishes, per la qualità del prodotto e la forte identità espressiva.

La giuria A.D.A. riunisce ogni anno il meglio del design internazionale e dal 2016 celebra le migliori sinergie che prendono vita tra i professionisti della creatività e i brand più innovativi.

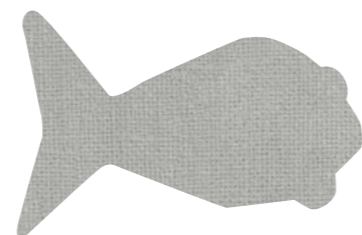

POETRY NET from ABK was chosen as one of the winners of the Archiproducts Design Awards 2025 in the Finishes category for its quality and powerful aesthetic identity.

Each year the A.D.A. jury brings together the best of international design and since 2016 has been celebrating outstanding collaborations between creative professionals and the most innovative brands.

TOBACCO

L'esperienza nella decorazione d'interni è la fonte ispirativa del nuovo progetto Poetry Net, evoluzione del più vasto contenitore Poetry House creato da ABK con Paola Navone OTTO Studio.

Poetry Net nasce dalle esclusive finiture murali ideate e realizzate assieme a professionisti del restauro, di tele e affreschi, per costruire pareti scenografiche. Le fibre dei tessuti, dalla canapa al cotone, con i loro caratteristici intrecci più o meno leggeri, sono mescolate alle materie pittoriche e creano effetti inaspettati, di raffinata bellezza e ricercata diversità.

Net indica proprio il concetto di "rete" capace di catturare e racchiudere altri elementi nella sua trama come, in questo caso, i pigmenti del colore.

The new Poetry Net collection draws inspiration from interior decoration projects in diverse and multifaceted contexts. It marks the evolution of the broader Poetry House concept, developed by ABK in collaboration with Paola Navone OTTO Studio. Poetry Net derives from exclusive wall finishes, designed in collaboration with canvas and fresco restoration experts to create visually striking walls. Fabric fibres, ranging from hemp to cotton with their distinctive light or dense weaves, are blended with pictorial materials to produce unexpected effects of elegant beauty and diversity. The term "net" aptly reflects the concept of a weave capable of capturing and enclosing other elements, such as colour pigments, within its structure.

MATCHING MATERIALS

Attraverso le molteplici ispirazioni offerte dalla gamma ABK, è possibile personalizzare ogni ambiente dandogli una sensazione materica sempre differente. Trame, cemento, colore, pietra e legno si combinano sapientemente tra loro, dando vita a sorprendenti contaminazioni stilistiche per architetture estremamente contemporanee.

The many inspirations behind the ABK range can be used to customise any space and create constantly changing material effects. Net, concrete, color, stone and wood are skilfully combined to create a surprising crossover style ideal for highly contemporary architectural solutions.
